GREETINGS MESSAGE

On the auspicious occasion of 2561st birth anniversary of Lord Gautam Buddha-the Apostle of peace, I'm very pleased to wish you all Nepalese and peace loving people across the globe, a very happy and peaceful Buddha Jayanti 2017.

Today's contemporary world is suffering more than ever before from terrorism, unlawful killings, hatred, bigotry, jealousy and the darkness of ignorance. The remedy of these problems is the teachings of Lord Buddha. So I would like to request all the communities across the globe to practice and spread the meaningful teachings of Buddha to enlighten the world.

Finally, the peace and non-violence message of Lord Buddha is needed for a peaceful and harmonious world. May Lord Buddha enlighten you all on the path of love, peace, compassion and truth.
